So Many Changes: Everyday Physical and Chemical Changes

Presented by Joseph Houck (Eberly College of Science),
Amber Cesare (CSATS) and Ashley Rapsinski (CSATS)
May 30, 2018, 2018 (9:00 a.m. – 2:30 p.m.)
106 Whitmore, University Park, PA 16802

Chemical and physical changes are all around us in our everyday lives. In this workshop, we will explore different ways to categorize changes as chemical or physical. Teachers will get to wear their student hats and engage in multiple hands-on activities that use low-cost, easy-to-find materials. You will leave this workshop with ideas of how to excite and engage your students and implement these activities in your classroom. Attendees at the workshop will receive free copies of the You Be the Chemist® Essential Elements Activity Guides.

Target Audience: Teachers of students grades 2-5

This workshop is FREE to all educators with Act 48 (5 hours).

All i-STEAM Workshops are aligned to the PA Science and Technology Standards, Engineering Education Standards, and next Generation Science Standards.

A continental breakfast and lunch are provided by the Center for Science and the Schools (CSATS). Maximum enrollment is 24 register online now to reserve a spot today.

For more information email Amber Cesare at ams5306@psu.edu or call 814-867-1323.
