Benefits of land lease

No stamp duty

There is no stamp duty payable on the purchase of your home, saving you thousands of dollars to spend on the lifestyle you deserve. This can be a real boost to your budget, considering the Property Council of Australia suggests you can spend up to \$75,000 in stamp duty and other costs downsizing your home.

No council rates

With Hometown Land Lease living you won't have to pay council fees.

Retain capital gains

With Hometown Australia, you, or your family, keep 100% of capital gains as cash profit. In many other retirement living choices, it's likely that the village will share in any capital gains garnered from the sale of your home.

No exit fees

When you sell your home, you won't pay any exit fees, unlike retirement villages where you can be charged exit fees or deferred management fees accrued over time. This is great for your budget.

Frequently Asked Questions

Are there any body corporate fees?

No, there are no body corporate fees. We have on-site managers who look after operations within the communities and the maintenance of the amenities.

Are there any other fees?

In addition to site fees you are responsible to pay for your own electricity, WiFi/NBN, and general household running. You are also responsible for the insurance on your own home if you wish to have home insurance.

How secure is my tenure?

The tenure is secured by a site agreement which is similar to a lease. Each state is governed by different legislation, so site agreements may vary from state to state.

Are the homes covered by builder's warranties?

Yes, there is generally a six-year structural warranty on all new home orders including a three-month maintenance period. If you purchase a pre-loved or display home in an existing community the remaining warranties are transferred to you. For any older homes we recommend you undertake a pest and building inspection in the same way you would if you purchased a home outside a community.

Do I need to maintain the gardens and lawn?

The community management maintains all the communal areas (please note: this may vary by community), however you are responsible for maintaining your own garden. Homes are designed to have low maintenance gardens to assist in the ease of over 50s living.
