

Pamela S. Allen

My experience in the equine industry began when I was a youth and grew eventually into a training facility for Morgans. For nearly 25 years, I trained and showed in western pleasure, english pleasure, hunter, park saddle and driving. I also coached equitation riders in saddle seat, hunt seat and stock seat divisions.

Along with my daughter, we have bred and shown Congress Grand Champions in several divisions over the years. We have also received multiple HOF and 6 Pony of the Year awards.

I have been showing at AMHA/AMHR/ASPC shows for over 25 years and 30 years in Morgans prior to that. In 2022, I was honored to judge the AMHR Nationals in Tulsa and will be judging there again in 2026. I have judged the AMHA World Show, the New Zealand Shetland National show and the Gypsy Vanner Nationals in Belton, TX.

Not only do I hold large "R" in AMHR/ASPC and Moderns but I am also carded in USEF for Shetlands and Morgans. I have "R" cards in AMHR, Classic ASPC, ASPR and Modern ASPC division as well as GVHS and GHRA. I have judged numerous shows across the US as well as in New Zealand, Colombia, Belgium, Canada and Europe.
