Graduation Ceremony

Friday 17 October 2025

Kindly sponsored by
 MASONBREESE

Our People are Important to Us

MasonBreese are experts in change and transformation. We invest heavily in our people to help us deliver creative change solutions for our clients. We support and advise our clients with strategic change programmes and digital, cultural and system integrations as well as business transformations.

We are committed to adding tangible, social value to both the communities we work in and within our business. Our mission is to deliver sustainable value through investing heavily in our people, our clients and our community.

If you are interested in finding out more about MasonBreese, our values and career opportunities with us, please visit our website: www.masonbreese.com/about-us

We aim to be:

Employer of Choice
for Our People

Consultant of Choice
for Our Clients

A Resilient and
Profitable Business

A Role Model for
Our Communities

WELCOME FROM THE PRINCIPAL

Welcome to the 2025 University College Jersey Graduation Ceremony.

It is with heartfelt joy and pride that I welcome our graduands, their families and friends, our honoured guests, university partners, and community leaders to this special occasion.

Today is a celebration of achievement, perseverance, and change. Each of you has demonstrated dedication, resilience, and the ability to think independently and creatively — qualities that will open doors to exciting opportunities and shape the future you choose to build.

This ceremony is not only a tribute to your academic success, but also to the support networks that have stood beside you — your loved ones, mentors, and peers and of course your lecturers.

We are grateful to our lead sponsors, MasonBreese, whose generous support helps make this day as memorable and meaningful as it deserves to be. Our thanks also go to our venue and event partners, and to the events organising committee, whose hard work and commitment have brought this celebration to life.

As we conclude the formal ceremony, I invite you to join the platform party in our joyful parade through St Helier — a tradition that brings our graduates and the wider community together in celebration.

Congratulations to each and every one of you.

Jo Terry-Marchant

Principal, Highlands College and
University College Jersey

BA (Hons), PGCE, MA

Welcome to the Change Academy

The MasonBreese Change Academy is a two-year programme focussed on people who would like a future career in Business Analysis, Project Management or Change Management.

After your graduation, the MasonBreese Change Academy is designed to help you fast-track your career through undertaking your training alongside working on client projects.

The programme is open to everyone, we are interested in proactive people who love a challenge. If you thrive in constantly changing environments, have strong communication skills and are keen to further develop your interpersonal and technical skills, we want to invest in you.

Our people are important to us. We take an open approach and encourage our team to think differently to deliver long-term, sustainable results to boost the true potential of our clients' business.

One of the best things about MasonBreese is the variety of work I get to be involved in. Through the Change Academy I've been able to build my skills while working on real projects across different sectors. Every day feels like a new challenge and a chance to learn something valuable.

Diogo De Freitas
UCJ Graduate and Management Consultant

Proud sponsors of

Welcome from Stuart Richford, Managing Director

On behalf of MasonBreese, I would like to extend my warmest congratulations to the graduating class of 2025, and to everyone at University College Jersey who has worked so hard to make this day possible.

Graduation is never an accident; it is the result of resilience, focus, and the countless choices you have made along the way to invest in your own future. Today is about celebrating that journey and the growth you have achieved, both seen and unseen.

At MasonBreese, we are proud to play our part in supporting the development of talent here in Jersey. For the last seven years, our partnership with UCJ has reflected our shared commitment to equipping people with the confidence, skills, and adaptability they need to thrive in a fast-changing world. Our accredited Change Academy is another way we do this, offering a structured pathway for emerging professionals to gain the experience, knowledge, and practical tools required to lead and manage change successfully.

Over the past year, our team has continued to provide UCJ students with opportunities to prepare for life after study, including interview coaching and guaranteed interviews at MasonBreese for those interested in Business Analysis, Project Management, or Change Management. These initiatives reflect our belief that with the right support and endeavour, people can achieve extraordinary things.

As you take this important step forward, remember that learning never stops. The world moves quickly, and what matters most is

curiosity to learn, courage to act, and to do so with kindness. We hope to see some of you again in the future, whether through our Change Academy or as part of the wider community, as you continue to build your careers and make your mark.

Congratulations once again to the class of 2025. Enjoy today, reflect on how far you've come, and look forward with excitement to all that lies ahead.

Stuart Richford, MasonBreese
