

THANK YOU, WEST VIRGINIA!

★ CELEBRATING 4 YEARS ★

Proud to power possibilities
and invest in the people
and communities of
West Virginia.

THE ONLY REGIONAL UTILITY HEADQUARTERED IN WEST VIRGINIA

- Morgantown office opening
- Establishment of customer service, call center, dispatch, and gas control in WV

\$450 MILLION INVESTED IN PIPELINE INFRASTRUCTURE TO SUPPORT ECONOMIC DEVELOPMENT

Morgantown Connector, Mason County investment

Investing in operation and maintenance of over **7,000 miles** of natural gas pipelines in West Virginia. Laid end to end, the pipelines would reach from Morgantown to Los Angeles and back 1.5 times

25% LOW-INCOME DISCOUNT PILOT PROGRAM

Created the first-of-its-kind for utility customers in West Virginia, offering a **25%** monthly bill discount. It can also be combined with our Budget Billing program to help make your monthly costs more predictable.

1,000+ JOBS CREATED

at Hope Gas and through our construction projects

HOPE PATHWAYS

Training future
energy workforce
of WV

SUPPLY CHAIN STRATEGY TO SUPPORT WV BUSINESSES

Spending our dollars locally to
purchase equipment and supplies

COMMUNITY SUPPORT

Hope is proud to invest in the communities we serve at no cost to our customers. From supporting the **WVU** to backing **Keeping Kids in WV**, our community giving is funded separately and never factored into customer rates.

“BLUE” the Company Mascot
