RETENTION PERCENTAGES

Retention Percentage – DGP Facilities: 15.00% per Dt
Retention Percentage – Equitrans Facilities: 20.00% per Dt

The above Retention Percentage for Fuel and Lost and Unaccounted for Gas ("LAUF") are subject to adjustment from time to time as set forth herein. Company shall retain in kind from customer's Receipts the applicable Retention Percentage of customer's Receipts at the Receipt Point(s) to reimburse the Company for Fuel and LAUF ("Retention Percentage(s)"). The Retention Percentage and Retention Percentage quantity shall be set forth on the customer's monthly statement. If the actual Receipts, Retention, or Retention Percentage is not known by the statement date, such quantities may be estimated and adjusted on following statements as soon thereafter as actual quantities are available.

On or before January 1 of each year, Hope shall file revised Retention Percentages to be effective March 1 of that same year, to reflect updated, actual and projected volumes (split 50-50 between the DGP Facilities and Equitrans Facilities), including to account for a true-up and recovery of any under recovered Retention or crediting of any recovered Retention for a prior period (also split 50-50 between DGP Facilities and Equitrans Facilities)[1]. In each annual filing, under recovered LAUF for the prior year shall be amortized over ten (10) years for inclusion in the revised Retention Percentages, which annual revised Retention Percentages are subject to applicable caps for the respective Retention Percentages set forth in the below table. Hope may request recovery of any unamortized and under recovered LAUF under this Rate Schedule PGAS as of the end of the test year used in Hope's next Rule 42T general base rate case proceeding, including as a result of application of the caps in the below table, in its next Rule 42T general base rate case filing[2].

		Cap on Annual Filing Retention Percentage Increase (shall not increase by more than)		
	Existing Retention % as of February 25, 2026	**1st Filing**	**2nd Filing**	**3rd Filing**
DGP Facilities	15.00%	0.50%	0.25%	0.25%
Up To		15.50%	15.75%	16.00%
Equitrans Facilities	20.00%	1.00%	1.00%	1.00%
Up To		21.00%	22.00%	23.00%

[1] This 50-50 split shall only be used for annual true-up purposes and shall not be used for any other purposes. Hope shall maintain separate accounting for each system.
[2] The Retention Percentage in effect after the 3rd Filing shall remain the same until Hope's next 42T general base rate proceeding rates go into effect.
