

MICHIGAN MAIL-IN VOTING

You Can Still Vote By Mail for the Nov 3rd General Election

How do I request a mail ballot?

All registered voters in Michigan are eligible to vote by mail. You can submit a request for a mail ballot online or in-person:

- Online: You can request a ballot online. In order to make sure you receive your ballot before Election Day, it is recommended to request online no later than October 20th.
- In-person: After October 20th, it is recommended that you apply for your absentee ballot in-person at your city or town clerk's office.

How to Vote by Mail in Michigan

- ☐ If you haven't requested an absentee ballot yet, submit an application either online or in-person.
- ☐ Fill out your ballot and carefully follow all instructions.
- ☐ Insert your ballot into the secrecy sleeve. Sign and date the return envelope.
- ☐ Return your ballot as soon as you can! We recommend you mail by October 24th to allow enough time for your ballot to arrive by Election Day. After October 24th, drop it off in a dropbox or your city or town clerk's office. You can also bring it to your local polling place to insert into a tabulator.
- ☐ Track your ballot and make sure your vote is counted!

What about Trump's Mail-in Voting Executive Order?

- The US Constitution is clear: state governments – not the President – have the power to run our elections. In March, Trump issued an Executive Order attempting to make mail-in voting more difficult, including instructing the US Postal Service to refuse to mail ballots for certain voters.
- The US Supreme Court has blocked the Executive Order from taking effect for the November 2026 midterms election. The Executive Order is not and cannot go into effect anywhere.
