

Round Wood Posts

PRESSURE TREATED, TAPERED FENCE POSTS AND BARN POLES

Our sustainable round wood posts and barn poles are peeled and treated to meet the needs of farmers, ranchers and the construction industry.

PRODUCT DETAILS

- 6 and 7 foot fence posts are pencil-pointed sharpened at the bottom and domed at the top for easier pounding.
- 8, 10 and 12 foot fence posts are square sharpened at the bottom. Blunt end available as custom order.
- 20 and 25 foot poles have blunt ends.
- Species: Spruce–Pine–Fir (SPF).
- Pressure treated with CCA preservative for extended life.

Sustainable

Posts made from sustainable wood fiber resources, sourced by Bell in North America.

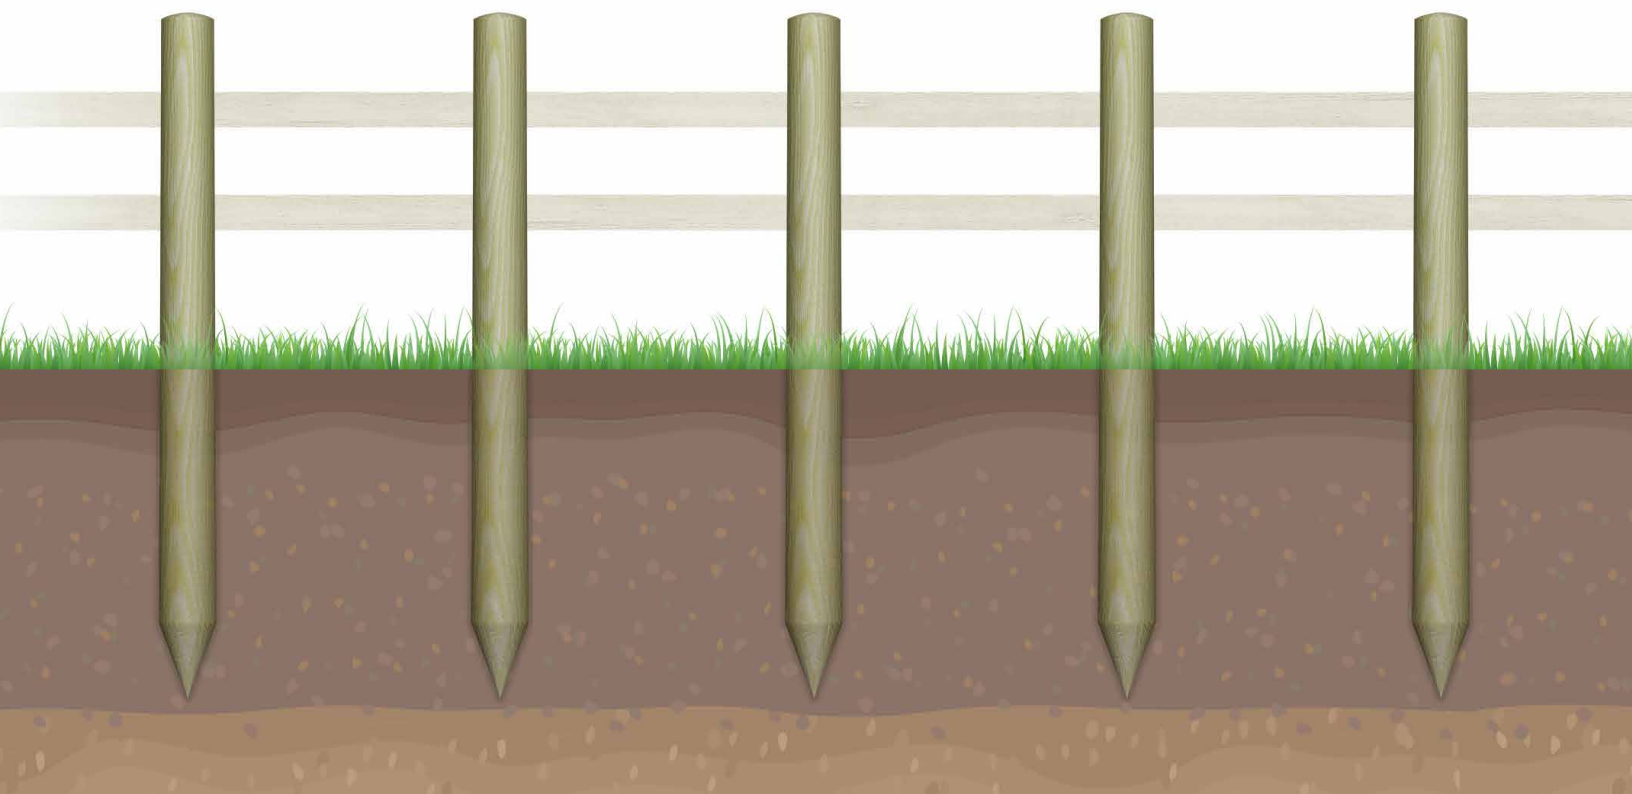

Timely Onsite Delivery

High-volume production capabilities and on-site inventory. Delivery by truck.

Bell Guarantee

Your satisfaction is 100% guaranteed and backed by 115 years of Bell family integrity.
