Territory

The Licence is attributed for the distribution worldwide.

8. Credits

The name of the composer and the exact title of the work have to be mentioned in the booklet and/or on the permanent container of the recording, as well as on the digital download/streaming description.

The Publisher has to be mentioned in following way: Editions Bim Sarl, Switzerland - editions-bim.com

Payments

By credit card (Visa, Amex, Mastercard) - an invoice will be provided by the Licensor for the initially due amount according to the indications of the Lincensee.

An accounting statement shall be issued every 12 month for additional downloads or further physical releases.

This is a one-time, non exclusive licence to include the above mentioned work(s). The present licence is subject to Swiss law. For any legal disputes arising from the present license, the location of the court cases is the legal domicile of the Licensor/owner.

By signing this application form, you confirm that the information you provided is accurate and complete. You also undertake to pay a licence fee pursuant to the lincensing terms and conditions. You herewith confirm that you have read and understood said terms and conditions.
