Green Hasson Janks is one of the premier accounting firms serving nonprofits in Southern California. We have over 30 years of experience serving public charities and private foundations, and we are well-versed on current nonprofit benchmarking and governance issues.

We offer our nonprofit clients a wide range of professional services including accounting, auditing, management consulting and tax planning and compliance.

Accounting and Auditing Services
- Financial Statement Audits
- Yellow Book Audits
- Single Audits (A-133)
- Reviews and Compilations
- Special Projects
- Employee Benefit Plan &Pension Audits

Management Consulting Services
- Benchmarking and best practice models
- Training and education for Circulars A-110, A-122, A-133, Yellow Book, and GAAP
- Cost allocation plans to maximize grant funding
- Board Governance assessment
- Internal control strengthening and assessment
- Merger and Acquisition consulting
- Budgets and cash flow projections

Tax Services
- Planning and review for tax exempt organizations including IRS Forms 990, 990-T, 990-PF, State of California Form 199, 109 and State of California Attorney General Form RRF-1, and various other returns
- Proactive tax research
- Corporate, pass-through and individual state and local tax planning and compliance

Nonprofit Training and Thought Leadership
Our firm is often engaged to speak on topics of interest to the nonprofit sector including financial management and infrastructure, cost allocations, financial statement presentation, key ratio indicators on financial statements, and funding trends.

To help management and board members earn CPE credits while learning about the latest updates in regulations, legislation and the nonprofit business environment, we offer quarterly workshops, an annual accounting and tax update and client-specific nonprofit training. Past training and workshop topics have included:
- **Quarterly Workshops** – Board Governance, Fraud, Human Resources Issues, Planned Giving and Fundraising and Volunteer Engagement
- **Annual Accounting and Tax Seminar** – Federal Stimulus (ARRA) funding, Fair Value, UPMIFA and Endowments, Mergers and Acquisitions, and Form 990 Updates

About Green Hasson Janks
For 60 years, Green Hasson Janks has been a leading CPA firm specializing in audit, accounting, tax and consulting services. We are able to provide timely and personalized service to our clients locally, nationally and beyond as an independent member of HLB International.
