Introducing Lifestyle Chelsea Heights

You'll feel right at home at Lifestyle Chelsea Heights.

Come home to Lifestyle Chelsea Heights. Perfectly positioned near beautiful beaches, world class golf courses, safe walking paths and nature reserves, Lifestyle Chelsea Heights is an active lifestyle just waiting to happen.

Everything is within easy reach. Entertainment, restaurants, shopping centres and amenities are a short distance away. With access to the Mornington Peninsula freeway nearby, it's easy to head out and enjoy everything the region has to offer.

We have beautiful homes available and if the community is currently sold out, you can join our 'cant wait' list!!

Discover the Lifestyle Difference

Here at Lifestyle Communities®, we set ourselves apart by positioning ourselves as long-term manager rather than a property developer. Unlike property developers who build and move on, Lifestyle Communities® remains dedicated to our homeowners for the long haul. We are always reimagining how to provide a bigger life for our homeowners.

We apply a Deferred Management Fee (DMF) to ensure our commitment to the community and homeowners. Implementing the DMF guarantees that we at Lifestyle Communities® are equally invested in the community's well-being and continued desire to enhance the gardens and amenities.

Each community has a comprehensive 30-year plan, providing consistent refurbishment. The remarkable condition of our first community, Lifestyle Brookfield, is a testament to this approach's success. It still looks fantastic today!

As an ASX-listed company owned by prominent Australian Institutions, such as Aussie Super, we are committing to continuous reinvestment in our communities for the long-term benefit of our homeowners. Our focus remains laser-sharp on managing and looking after the communities. With our returns from charging a weekly site fee and the DMF, we do not generate cash profit from building communities.
