

Acuity Advisory Services

Acuity Advisory Services is a trusted partner in guiding organizations through the entire RFP process for ERP systems. We understand that the right ERP system is critical for business success.

OUR SERVICES

- **RFP Development:**

Clear, concise, and aligned with business objectives comprehensive RFP documents.

- **Vendor Evaluation:**

Assist in evaluation of vendor proposals from functionality, scalability, cost and support.

- **Negotiation Support:**

Support throughout the negotiation process, ensuring the most favorable terms and conditions are secured.

WHY ACUITY ADVISORY SERVICES?

- **Tailored Solutions:**

Every business is unique so we use tailor made RFPs for your specific needs.

- **Vendor Neutrality:**

We are vendor neutral, meaning we are not tied to specific ERP provider keeping your organization's best interest in mind

- **Industry Insight:**

We are always ahead of industry trends and technological advancements.
