

# I am a Citizen Scientist!

## What is a Citizen Scientist?!

**A person who participates in scientific research.** You can take part by observing, collecting notes, and sharing your data to the science community! Anyone can be a citizen scientist, including **you!**

### Step 1!

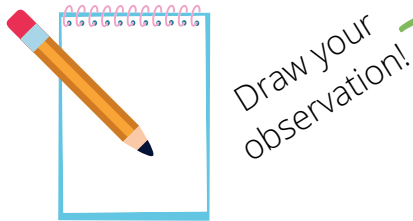

Find a location, grab a seat, and wait for something amazing to happen!

What is it?  
.....

Where is it?  
.....

What is it doing?  
.....

### Step 2!

Make a recorded observation! Take a photo, video, write, and/or draw what is happening!

### Step 3!

Have a teacher, parent, or an adult help you submit your recordings!
