Peaceful Living with Beautiful Garden Views

Set in a peaceful cul-de-sac with lovely garden surrounds, this beautifully presented 2-bedroom plus study home offers space, comfort and an easy, relaxed way of living.

The light-filled open-plan layout flows to two undercover alfresco areas, creating the perfect setting for entertaining or enjoying quiet moments outdoors year-round.

Inside, modern comforts blend with warm, welcoming spaces, while outside you'll love the tranquil gardens and inviting front porch, ideal for a morning cuppa or an afternoon unwind.

Features include:

- Ducted heating and cooling, plus ceiling fans throughout
- Main bedroom with a walk-in robe; second bedroom with built-in robes
- Stylish bathroom with double vanity and large shower
- Contemporary kitchen with large island bench
- Front porch and private alfresco areas
- Quiet cul-de-sac position with manicured garden views
