With a Secret Rose Garden

This newly renovated two-bedroom home provides an ideal sanctuary for garden lovers. Situated on an extra-long lot at the back of the community, the rear yard has an established rose garden, artificial turf and plenty of space for a pooch to play.

This light-filled home offers modern features, including:

- Undercover carport extension, with ramp to side entrance
- 3KW solar power
- Gas ducted heating throughout
- Skytube light to the living room
- Separate dining/kitchen area with wood plank vinyl flooring
- Additional yard area to the back and side of the home
- Brand new carpet in the living room and bedrooms
