

Lifestyle Communities®

Your new way to live starts here

At Lifestyle Communities® we think the best way to live is with more time for yourself, more freedom to choose, and more of your kind of people around you. Which is why we've spent over 22 years helping downsizers swap maintenance for exactly that. For us, it's never just about the house. It's about everything that opens up once the keys are in your hand.

Welcome to Lifestyle Communities® Shepparton

Think less retirement village, more “why didn’t I do this sooner?” Lifestyle Communities® Shepparton is all about country charm with city convenience. Here you’ll enjoy a relaxed pace of life, surrounded by scenic river trails, local produce and fine wines, all while staying close to shops, cafés and everyday essentials.

You’ll find neighbours who become mates and more ways to spend your time than there are hours in the day.

Mowing the lawn is replaced with morning walks, fixing gutters gives way to long lunches in town, and when you travel you can lock up and leave any worries behind. Work a little if you like, wander the world if you prefer, or simply stay close and enjoy the everyday. A coffee, a laugh, or a catch up that lasts longer than you planned.

With low-maintenance homes and a friendly community of like-minded people, you’ll have the freedom to make every day feel like a holiday.

Elevate your everyday at the Clubhouse

The Clubhouse is the heartbeat of your community. It's a place that feels like a natural extension of your own home and life, with spaces to relax, catch up, or try something new, all just a short stroll from your front door.

Catch a film in the cinema (no need to argue over the remote), challenge a friend to a game of billiards in the games room, or swap recipes in the community kitchen while something sizzles on the BBQ. Pull up a chair in the cosy lounge for a quiet chat or join the crowd when the mood strikes.

At Shepparton, downsizing doesn't mean doing less, it means enjoying more. More time, more friends, more moments that make you glad you made the move.

It's no surprise that up to half of our new homeowners come through word of mouth. Because once people experience the warmth, laughter and connection here, they can't help but share it.

Your wellbeing sanctuary

You'll find everything you need in the Clubhouse to take care of your health and wellbeing. You'll have it all at your fingertips, from leisurely outdoor activities to energising workouts.

Start your morning with a friendly game on the bowling green, or work up a sweat in the gym. And when it's time to relax, unwind by the fireplace or curl up with a book in the library.

Call it self-care, call it future-proofing. Enjoying all the community has to offer is a great way to live.

More ways to enjoy every day

Step into your own private oasis at the Aqua Club, where every detail is designed for unwinding, moving your body and soaking up the good life. It's the perfect place to enjoy your day.

Ease into the morning with a relaxing dip in the outdoor pool, or if swimming isn't your style, join an exercise class at The Pavilion or try your hand at oil painting in the Art Studio.

These thoughtfully designed spaces bring a touch of resort-style magic to everyday living, while also offering plenty of room to share special moments when the grandkids visit.

Set just beyond the Clubhouse, it's a peaceful retreat that feels close to home, yet a world away.

A home for living in

Your home is made for more than just looking good – it's made for living well. It's a place to relax, share good times with friends, and enjoy the freedom downsizing brings.

Since 2008, we've partnered with Todd Devine Homes to create houses that balance design with lasting quality. Every detail is considered, from layouts that make life easier to finishes that spark pride every time you walk through the door.

Inside, you'll find light-filled spaces, kitchens that sit at the heart of the home, and plenty of room to relax or entertain. With practical bathrooms, versatile bedrooms and easy access to outdoor spaces, you'll have a home that feels just right for you.

People are our purpose

For more than 22 years, Lifestyle Communities® has been focused on one thing: creating upsized lives for modern downsizers.

Today more than 5,800 homeowners are part of our communities. They feel supported, connected and proud to call Lifestyle Communities® home, and continue to recommend us to their friends in consistently high numbers. Which says more than we ever could.

If this sounds like a great way to live, maybe it's time to make Lifestyle living yours.
