 St Leonards – The Waves

Your new way to live starts here

At Lifestyle Communities® we think the best way to live is with more time for yourself, more freedom to choose, and more of your kind of people around you. Which is why we've spent over 22 years helping downsizers swap maintenance for exactly that. For us, it's never just about the house. It's about everything that opens up once the keys are in your hand.

St Leonards – The Waves

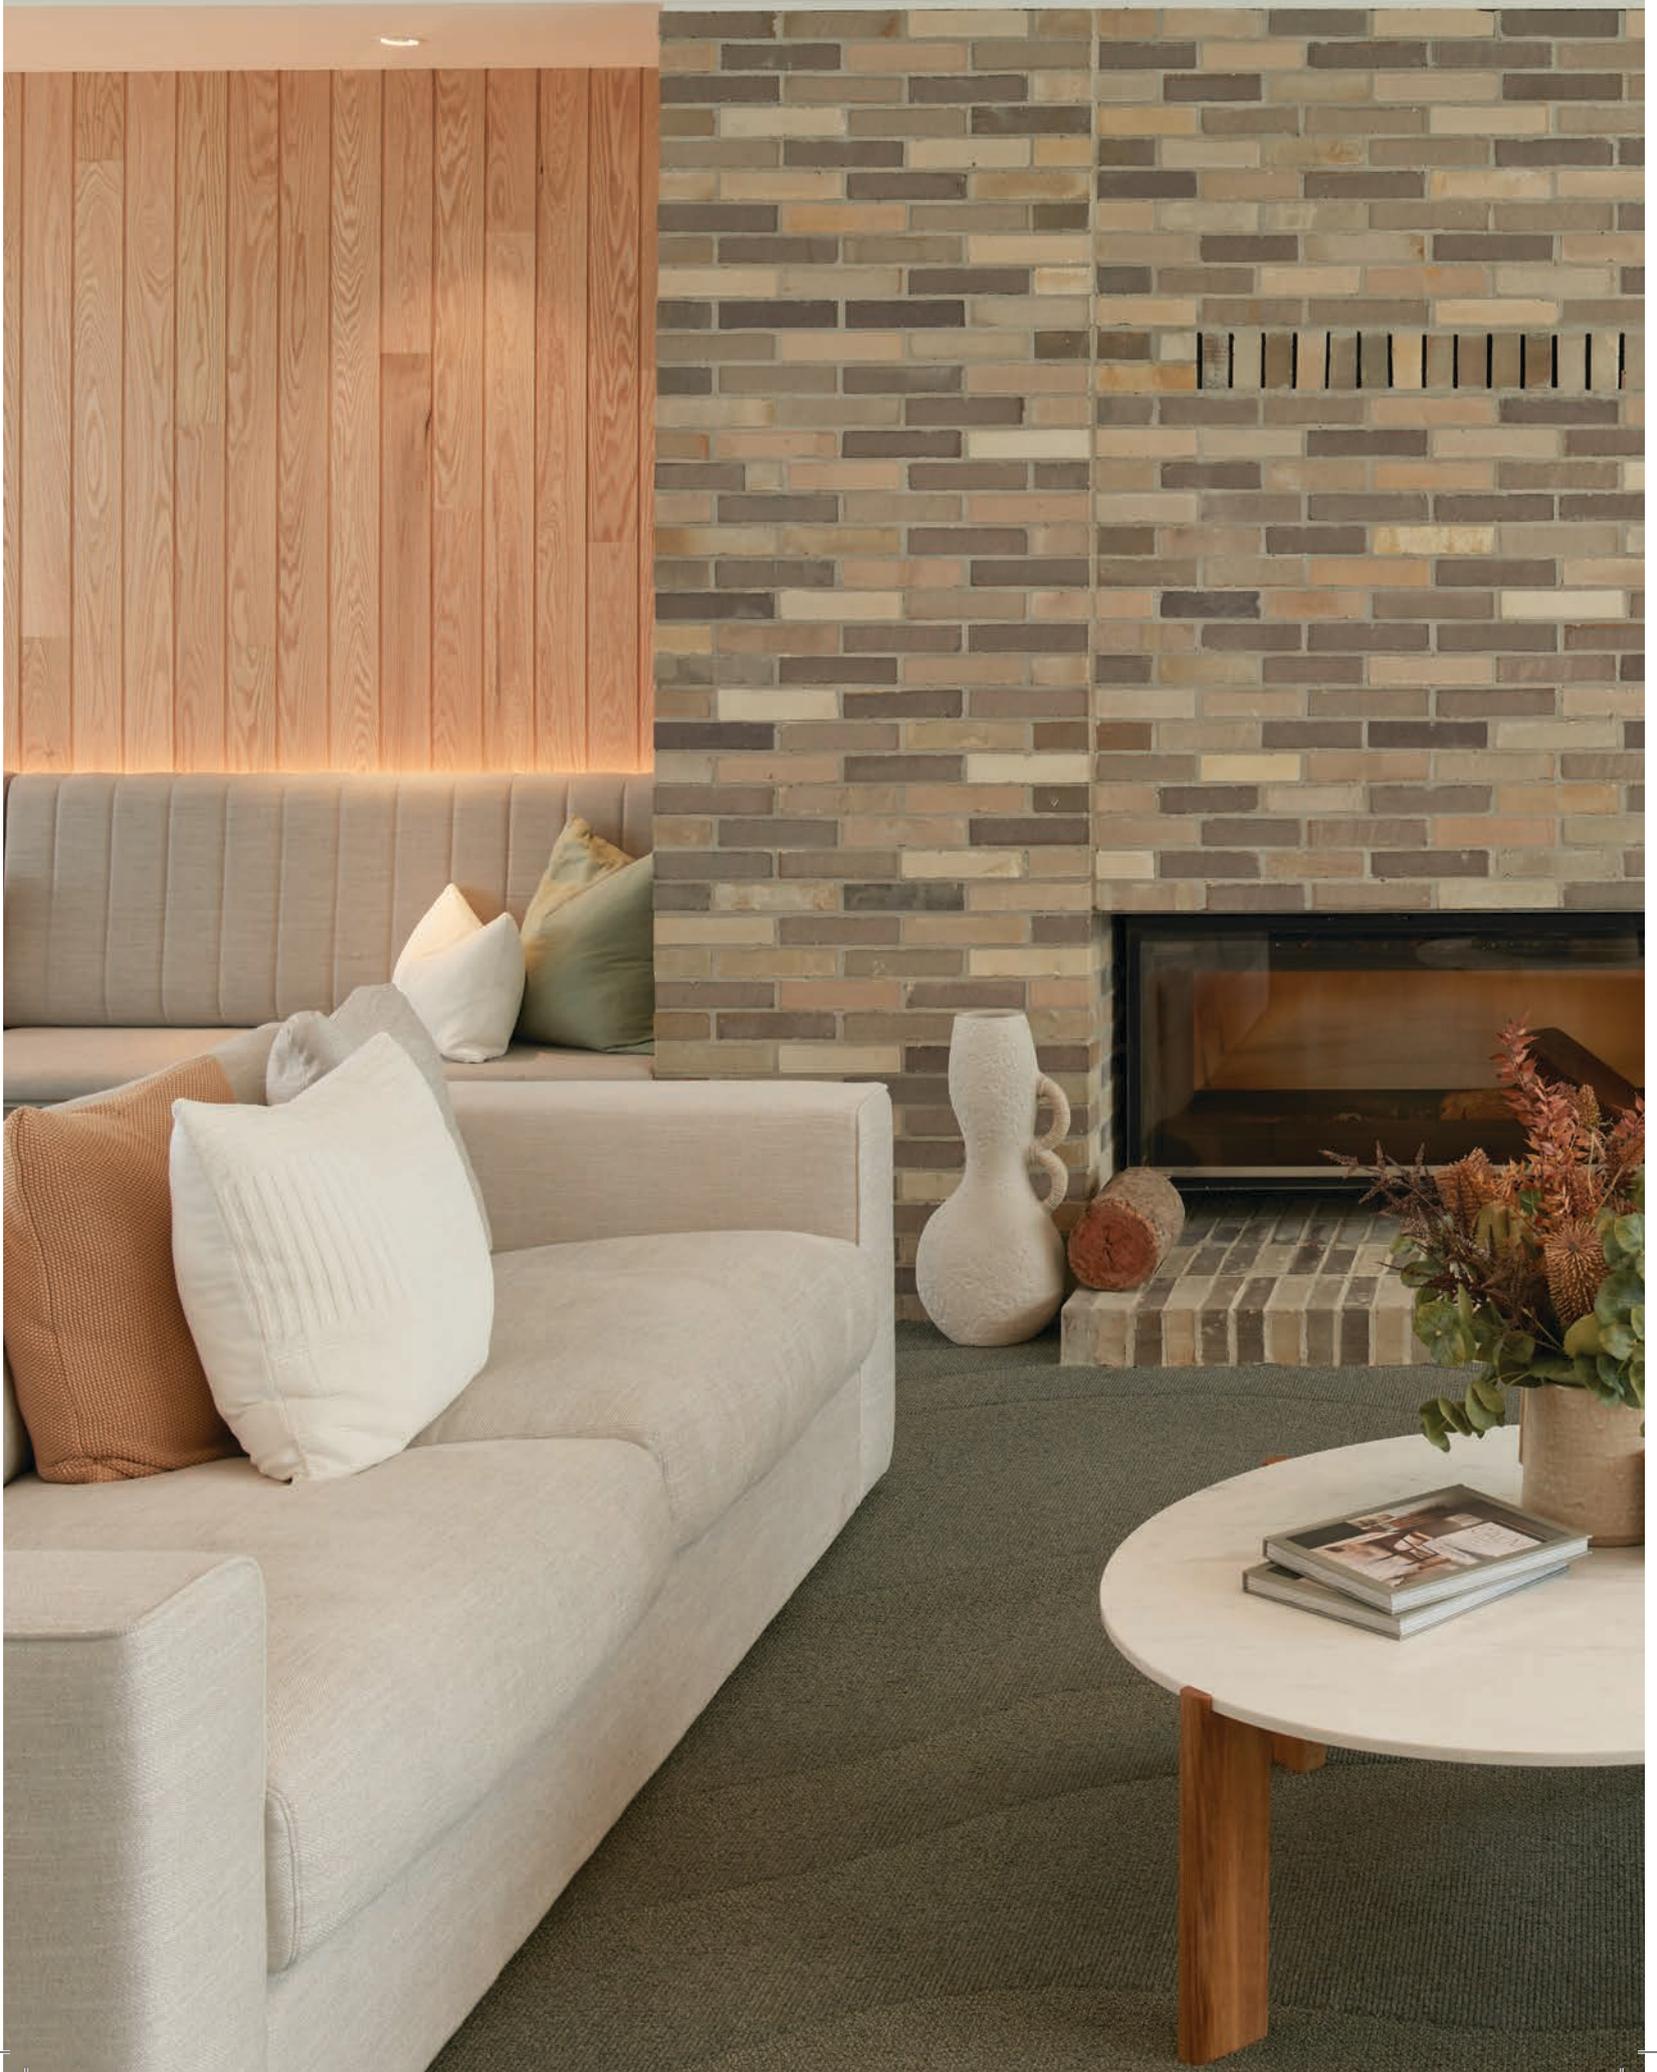

Think less retirement village, more “why didn’t I do this sooner?” Lifestyle Communities® St Leonards – The Waves is all about coastal living at its best. Here you’ll enjoy the perfect mix of relaxation, community and convenience, just minutes from the beach, local shops and natural reserves.

You’ll find neighbours who become mates and more ways to spend your time than there are hours in the day.

Mowing the lawn is replaced with morning walks, fixing gutters gives way to long lunches in town, and when you travel you can lock up and leave any worries behind. Work a little if you like, wander the world if you prefer, or simply stay close and enjoy the everyday. A coffee, a laugh, or a catch up that lasts longer than you planned.

With low-maintenance homes and a friendly community of like-minded people, you’ll have the freedom to make every day feel like a holiday.

Elevate your everyday at the Clubhouse

The Clubhouse is the heartbeat of your community. It's a place that feels like a natural extension of your own home and life, with spaces to relax, catch up, or try something new.

Catch a film in the cinema (no need to argue over the remote), challenge a friend to a game of billiards in the games room, or swap recipes in the community kitchen while something sizzles on the BBQ. Pull up a chair in the cosy lounge for a quiet chat or join the crowd when the mood strikes.

At St Leonards – The Waves, downsizing doesn't mean doing less, it means enjoying more. More time, more friends, more moments that make you glad you made the move.

It's no surprise that up to half of our new homeowners come through word of mouth. Because once people experience the warmth, laughter and connection here, they can't help but share it.

Your wellbeing sanctuary

You'll find everything you need in the Clubhouse to take care of your health and wellbeing. You'll have it all at your fingertips, from leisurely outdoor activities to energising workouts.

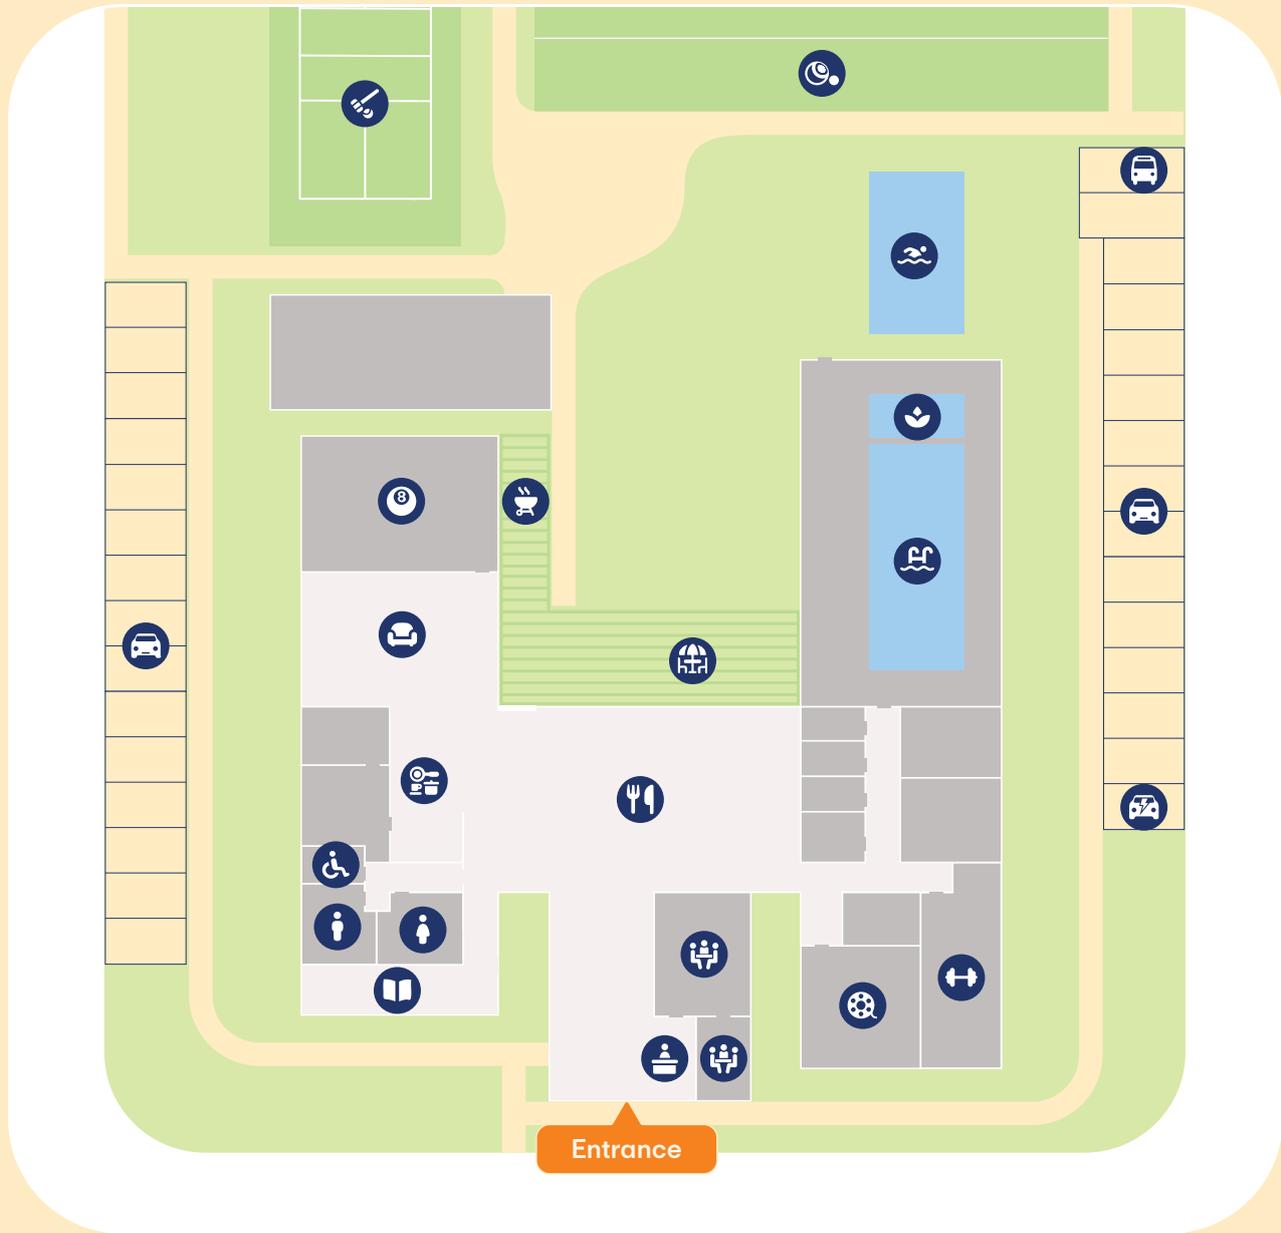

Start your morning with a swim, a friendly game of bowls on the bowling green, or work up a sweat in the gym. And when it's time to relax, unwind by the outdoor pool or curl up with a book in the library.

Call it self-care, call it future-proofing. Enjoying all the community has to offer is a great way to live.

Coastal living made easy

Located on the picturesque Bellarine Peninsula, Lifestyle Communities® St Leonards – The Waves captures the charm of relaxed coastal living, perfectly positioned between Queenscliff and Indented Head.

Spend your days admiring sweeping coastal views, casting a line from the jetty, or exploring the natural beauty of Edwards Point Wildlife Reserve and St Leonards Lake Reserve.

Pop into the local shops and cafés for daily essentials or a freshly brewed coffee and vanilla slice.

With the local golf, tennis and bowling clubs nearby, plus plenty to see and do within the community itself, every day offers a fresh way to enjoy the seaside lifestyle.
